Summary

Web Developer Intern at CodSoft | Python | C | C++ | Java | JavaScript | PHP | MySQL Enthusiast

As a dynamic Web Developer Intern at CodSoft, I've had the privilege of contributing to innovative projects that push the boundaries of web development. My journey in the tech world has been a fascinating exploration, and my internship has been a crucial chapter in this exciting adventure.

Web Development Expertise : I have honed my skills in a multitude of programming languages, including Python, C, C++, Java, JavaScript, and PHP. This versatile skill set allows me to navigate through diverse projects and bring creative solutions to the table. From crafting robust back-end functionalities to designing seamless user interfaces, I thrive on turning ideas into interactive and functional web applications.

CodSoft Experience : At CodSoft, I've been immersed in a dynamic environment that values innovation and collaboration. My responsibilities as a Web Developer Intern have included , where I've applied my programming prowess to overcome challenges and deliver high-quality solutions. This experience has not only enhanced my technical skills but also fostered a deep appreciation for the fast-paced world of web development.

Ambitious Learner : Driven by a relentless curiosity, I am always eager to explore new technologies and frameworks. My commitment to staying at the forefront of industry trends reflects my dedication to continuous learning. The tech landscape is ever-evolving, and I am determined to evolve with it.

Future Goals : My journey in web development has ignited a passion for creating seamless online experiences, and I am excited to delve deeper into this domain. Whether it's building scalable web applications or exploring emerging technologies, I am enthusiastic about contributing to the ever-expanding possibilities of the digital realm.

Experience

Web Developer Intern | CodSoft

As a Web Developer Intern at CodSoft, I played a pivotal role in contributing to the company's dynamic web development projects. Collaborating with a talented team of professionals, I engaged in hands-on experiences that allowed me to apply and enhance my skills in various programming languages, including Python, C, C++, Java, JavaScript, and PHP. During my tenure, I actively participated, where I demonstrated a keen eye for detail and a commitment to delivering high-quality solutions.

Key Contributions: Collaborated with cross-functional teams to develop and implement innovative web solutions. Gained practical experience in building and maintaining web applications, focusing on both front-end and back-end development. Applied problem-solving skills to address challenges and optimize website functionality. Contributed to the testing and debugging phases, ensuring the delivery of reliable and efficient web applications. This internship not only deepened my technical expertise but also provided valuable insights into the fast-paced and collaborative nature of the web development industry.

Education

Bachelor of Technology - BTech, Computer Science and Engineering

NIT MIZORAM, Dec 2021 – May 2025

Skills

Python, Java, JavaScript, C++, PHP, C, MySQL
